

Calling all young artists aged 6 to 12! Join the half-day summer art program for an unforgettable experience of creativity, education, and fun! 🎨

At this program, every day is filled with educational and enjoyable activities. I believe in nurturing your child's artistic talents while ensuring they have a blast throughout the summer.

🎨 **Watercolor Painting and Mixed Media:** Let your child explore the beauty of watercolor painting! They'll learn fundamental techniques like color mixing, brushwork, and different application methods. But that's not all! We'll also dive into the exciting world of mixed media, combining watercolors, crayons, and ink for a unique and expressive artwork.

🎨 **Get Inspired by Artists:** Let your child explore the world of famous artists! They'll learn about different art styles and techniques, getting inspired by these masters. Your little artists will create their own amazing artwork, using the tips and ideas from these talented artists.

🎨 **Craft Exploration:** In addition to painting: We'll also dive into the world of crafts! Your child will enjoy hands-on activities like origami, paper cutting, and other exciting crafts. These projects will spark their creativity and provide an opportunity to create beautiful, unique pieces.
