

In this class, your child will:

- **Explore Various Artistic Mediums:** With the use of colored pencils, oil pastel, watercolor, and acrylic your child will have the opportunity to experiment with different artistic materials. This exploration will help them understand the unique qualities and effects each medium can achieve.
- **Learn Fundamental Techniques:** The class will cover fundamental art techniques such as blending, layering, shading, and color mixing. These techniques will provide a solid foundation for your child to build upon as they continue their artistic journey.
- **Develop Creativity:** With a focus on sparking imagination, this class encourages creative thinking. Students will be given prompts and subjects that allow them to express their ideas and create original artwork. This process fosters creativity and encourages individuality.
- **Appreciate Artistry:** By engaging in hands-on activities and creating their own artwork, children will develop a deeper appreciation for art in general. They'll begin to understand the effort and skill required to produce different types of visual art.
- **Have Fun and Express Themselves:** Above all, this class aims to be enjoyable and liberating for young artists. It offers a safe space for them to express themselves, have fun with art, and discover their own unique style.
